Visitor Tip: This holiday period is one of the busiest of the year in Lake Lure so please allow extra travel and parking time so you arrive in time for your reservation. Reservations may be forfeit if guests arrive late (15 minutes or more past their seating time). Each seating is planned for 75 minutes. Tables and parking spaces must be vacated after the first seating to allow for the following seating. Guests may wish to secure parking first at one of the town designated parking areas before parking becomes scarce and then walk over for a leisurely dinner and then relocate to the Morse Park or the Lake Lure Beach parking/viewing area.

If inclement weather prevents patio seating, indoor seating will be offered if and when available or the reservation may be cancelled. Fireworks provided by the Town of Lake Lure are subject to weather conditions and may be postponed or cancelled.
